Description

2025 Buyers SaltDogg TGS07 11 Cubic Feet Tailgate Spreader
INSTALL NOT INCLUDED
Easily mounts to a 3/4 ton or 1 ton truck.
Durable corrosion-free poly hopper with 11 cubic foot capacity.
12V DC-powered electric drive for quiet, low maintenance operation.
Uses bulk salt or 50/50 salt/sand mix.
Easy to use variable speed in-cab controls.
12 in. poly spinner can broadcast up to 30 ft.
Horizontal auger reduces material waste and provides better spread control.

Includes concealed vibrator to keep material moving.
Simple 2 in. hitch-mount design.
Dual action lid allows loading from the ground or the truck bed.
Made in the USA.
The SaltDogg TGS07 11 Cubic Foot Tailgate Spreader is a large volume commercial tailgate spreader. It features a horizontal auger, stainless steel trough, and an included concealed vibrator that allows it to spread bulk salt or a 50/50 sand/salt mix from 3/4 ton and 1 ton trucks.
The spreader has a low-profile, 11 cubic foot hopper. The hopper's frameless, double-wall poly construction is durable and highly corrosion resistant. The spreader mounts to a 2 in. Class 4 hitch with patented horizontal and vertical adjustment.
Its 12 in. poly spinner can cast material up to 30 ft. A 1/2 HP, 12V dual shaft gear motor is controlled by an included variable speed in-cab controller.
Note: The TGS07 Spreader Extender is required for installation on trucks with flared tailgates.
