Description

This 2026 Lamar Trailers 102 in x 22 ft deckover trailer features full-width Rhino ramps for easy loading of vehicles and wide equipment without the need to line up narrow ramps. A durable yellow pine deck sits atop an 8-inch, 10 lb I-beam frame with crossmembers spaced 16 inches on center, giving this trailer serious structural strength. The 5 ft dove tail smooths the transition when loading, and a 10K drop-leg jack simplifies hitching. Brakes on both axles and 235/80 R16 E-rated tires on steel wheels provide dependable towing, while stake pocket sides add flexibility for fencing or tie-downs. With a 14,000 lb GVWR, this Lamar deckover trailer is priced at \$10,499.

Key Specs:

- Deck Size: 22 ft (264 in) x 102 in
- GVWR: 14,000 lbs
- Weight: 3,970 lbs
- Payload Capacity: 10,030 lbs
- Axles: 2, brakes on both
- Price: \$10,499
