The Tube Top Utility Trailer is a versatile and robust option that caters to a wide range of hauling needs.

Available in multiple sizes and GVWR options, this trailer is designed to handle various loads, making it an ideal choice for landscapers and sports enthusiasts alike. Whether you're working on landscaping projects or heading out for a weekend of outdoor fun, the Tube Top Utility Trailer offers the perfect blend of durability, functionality, and versatility. Experience the value and performance this trailer provides, ensuring you can tackle any job or adventure with ease. With its combination of strength and practicality, this trailer is an essential tool for any hauling task.

Key Benefits

2" x 2" Tube Top Rail and Tube Uprights

-2" x 2" tube top rail and tube uprights provide unmatched structural support and rigidity for a lasting investment.

Brakes on Both Axles

-Brakes on Both Axles provide additional control when a quick stop is needed.

Fold-Flat Ramp Gate

-Our versatile gate can be lowered when not in use to reduce unnecessary wind resistance. Plus, it's a real game-changer when you need to haul materials longer than your trailer.

Self-Retained Gate Pins

-Our Self-Retained Gate Pins ensure quick and hassle-free operation – because you'll always know exactly where to find them.

Setback Jack

-The Setback Jack is conveniently positioned to clear your tailgate to help prevent accidental damage. Drop your tailgate and access your bed space without your tailgating hitting the jack.

Spare Tire Carrier

-A convenient way of carrying a spare tire to ensure you are prepared for any unexpected road hazards.

Why Choose a Sure-Trac Tube Top Utility?

Lasting Performance

-With strength, durability and unmatched value, Tube Top Utility trailers are the flagship models of Sure-Trac®. The tubular top rail is full-seam welded to tubular uprights to help enhance the frame for lasting performance. Available in many configurations, the Tube Top Utility trailer offers unmatched versatility and distinct Sure-Trac® quality.

Sturdy Construction

-With its 2"x2" tube top rail and uprights, the trailer delivers exceptional rigidity and structural integrity, ensuring reliable performance even under heavy loads. This sturdy construction provides the stability needed for transporting equipment, tools, and recreational gear with confidence.

Tandem Axle Stability

-The design enhances towing stability and weight distribution, making it easier to maneuver, especially when loaded. This feature is particularly beneficial for landscapers who may need to transport materials, such as plants, soil, and landscaping equipment, to job sites. Sports enthusiasts will also appreciate the trailer's capacity to haul ATVs, motorcycles, and other outdoor gear for their adventures.

Thoughtful Design

-In addition to its robust build, the Tube Top Utility Trailer is equipped with user-friendly features that facilitate easy loading and unloading. Its thoughtful design allows for efficient use, making it a practical choice for anyone needing a reliable trailer.

Please Note:

- Temporary plate included with all trailer purchases.
- NJ residents pay 6.625% sales tax at purchase; out-of-state buyers pay tax when registering in their home state.
- Listed pricing is for cash/check. A 3% processing fee applies to credit card payments.
