Key Benefits

Tapered Entry for Full Width Loading

-Provides a smooth transition, allowing for easier and safer access when loading wider equipment or vehicles.

HD Tube Bulkhead

-Offers robust structural support, enhancing cargo security by preventing loads from shifting during transport.

HD Diamond Plate Knife Edge Tail

-Provides enhanced durability and a smooth loading surface, making it easier to load equipment while protecting against wear and tear.

(4) D-Rings

-Provide versatile tie-down options, ensuring secure anchoring of cargo to prevent shifting during transport.

Stake Pockets and Rub Rail

-Offer flexible anchoring points for securing cargo, enhancing load stability and adaptability during transport.

Hydraulic Dampener

-Ensures smooth and controlled operation of the trailer's tilt mechanism, reducing stress on both the trailer and the load during loading and unloading.
