Description

Whether you're looking to add a simulator to your existing country club, create a mobile experience for parties & celebrations, or take your training to the next level, mobile golf simulators are here! This unit features an on board generator, mini-split HVAC system, dual TV's, rear "grand entrance",

exterior TV compartment and prepped for simulator installation.

Finished in our favorite "Storm-Trooper" finish - white exterior with blackout trim - your trailer will certainly draw the attention the moment eyes are laid on it. Top shelf design & concierge service with a world-class finish & support team after the sale will compliment any application.

Call us today at 636-980-0402 for more pictures or to discuss a new golf simulator build out!
