The ZFORCE 950 Sport-4 takes the same aggressive DNA as the 950 Sport and stretches the wheelbase to fit four full-sized bolstered seats—so everyone can chase the adrenaline together. The 963cc V-Twin engine delivers 83 horsepower with SPORT and NORMAL ride modes to match terrain or mood. Dual-mode power steering and long-travel suspension keep the ride sharp, while 27” CST tires provide grip that bites when the trail gets loose. Add in premium cabin touches, 12 inches of ground clearance, and cargo space to match—and you’ve got one serious addiction that’s impossible to keep to yourself.
