Description

TOPLINE® I-Beam Equipment Trailer
TOPLINE® I-Beam Equipment Trailers are engineered for superior strength, versatility, and long-lasting performance. Designed with premium components and heavy-duty features, these equipment trailers deliver exceptional reliability for hauling your toughest loads.
Key Benefits
8" I-Beam Frame – Built for Strength
The rugged 8" I-Beam frame provides unmatched structural support, ensuring long-term durability even under heavy load conditions.
3' Self-Cleaning Dovetail – Effortless Loading
The 3' self-cleaning dovetail prevents debris buildup, offering smoother equipment loading and unloading in any working environment.
Stand-up Steel Ramps – Dependable Access
Durable stand-up steel ramps provide easy and reliable access for loading a wide range of equipment, folding out of the way when not in use.
Heavy Duty Bulkhead with Integrated Tie-Down Points – Secure Your Load
The heavy-duty front bulkhead includes integrated tie-down points, giving you multiple strong and convenient options for safely securing cargo.
3/4" D-Rings, Banjo Tie-Downs, and Oversized Stake Pockets – Ultimate Tie-Down Flexibility
Heavy-duty 3/4" D-rings, banjo tie-downs, and oversized stake pockets offer versatile and secure tie-down options to accommodate various equipment sizes.
Integrated Steel Toolbox with Light – Organized and Accessible
An integrated steel toolbox with built-in lighting keeps your gear organized and easily accessible, even in low-light conditions.
Why Choose an H&H TOPLINE® I-Beam Equipment Trailer?

Overview

The TOPLINE® I-Beam Equipment Trailers are purpose-built to tackle the demands of heavy hauling. Designed for strength and functionality, these equipment trailers feature a robust 8" I-Beam frame and a thoughtful combination of premium features to support serious work. Whether you're transporting compact loaders, tractors, or skid steers, the TOPLINE® series ensures you have the dependable foundation you need.

Available Models

Available in a range of lengths and GVWR configurations, TOPLINE® I-Beam Equipment Trailers offer options to match your specific hauling requirements. Each model is built with precision and heavy-duty materials to provide exceptional performance, durability, and load versatility.

Standard Features

Every TOPLINE® Equipment Trailer comes standard with features designed to make hauling easier and more reliable. The self-cleaning 3' dovetail, heavy-duty steel bulkhead with integrated tie-down points, and stand-up steel ramps are all built to handle tough jobs. The integrated steel toolbox with light enhances your organization, while the combination of 3/4" D-rings, banjo tie-downs, and oversized stake pockets gives you confidence that your equipment will stay secure.

Options

Customize your TOPLINE® I-Beam Equipment Trailer with additional options to meet your specific needs. Available upgrades include winch mounting plates and additional lighting options, allowing you to outfit your trailer exactly the way you work.
