Description

Power, performance, and premium features come together in this 2019 Nitro Z19 Pro, rigged and ready for serious anglers. Equipped with a 200 HP Mercury Pro XS, this boat delivers impressive speed, smooth handling, and the reliability you need to get to your spots quickly and efficiently. Up front, you'll find a Minn Kota Ultrex trolling motor paired with a Humminbird Helix 15 on the bow, giving you unmatched control and cutting-edge sonar technology for precise fish targeting. At the

helm, a Humminbird Helix 10 provides clear, detailed imaging to keep you dialed in while running or scanning new water.

This boat is also equipped with an onboard battery charger for easy, hassle-free charging after a long day on the water, as well as comfortable, high-quality fishing seats designed for all-day performance.

The Z19 Pro sits on a durable T/A (tandem axle) trailer, making transport stable and convenient. With its spacious layout, ample storage, and tournament-ready setup, this boat is built to perform whether you're competing or enjoying a day on the water.

If you're looking for a well-equipped, high-performance bass boat that's truly ready to hit the water, this 2019 Nitro Z19 Pro checks all the boxes.

This boat is in on consignment so we cannot take trades.
