Description

Car Hauler Trailer

H&H Car Hauler Trailers deliver proven strength and smart features for transporting vehicles, equipment, and more. With rugged open designs and dependable construction, each car hauler is engineered to perform on every haul.

Key Benefits

2' Steel Treadplate Dovetail – Easy Loading and Unloading

The steel treadplate dovetail offers a durable, slip-resistant surface, making it easier to load and unload vehicles onto your car hauler.

Slide-in Steel Ramps – Convenient and Secure Storage

Built for quick access, the fabricated steel ramps slide neatly into the trailer frame, offering fast setup and protected storage when not in use.

Set-Back Tongue Jack – Improved Maneuverability

The set-back tongue jack gives better clearance and easier access for hitching and moving your car hauler trailer with confidence.

Heavy Duty Tube Bulkhead – Strong Front-End Protection

The heavy-duty tube bulkhead adds strength to the front of the car hauler, helping secure cargo and defend against shifting loads.

Why Choose an H&H Car Hauler Trailer?

Overview

H&H Car Hauler Trailers are built tough for open vehicle transport. Whether you're hauling a classic car, side-by-side, or contractor equipment, these open car haulers deliver exceptional strength and usability. Every car hauler trailer combines heavy-duty materials, smart construction, and thoughtful features to ensure your equipment arrives safely and securely.

Available Models

The H&H Car Hauler Trailer lineup includes multiple sizes and axle configurations to meet a variety of hauling needs. From lightweight single-car transport to heavier equipment moves, there's a car hauler designed to match your job requirements without compromise.

Standard Features

Each H&H Car Hauler Trailer comes standard with a 2' steel treadplate dovetail, slide-in steel ramps, a set-back tongue jack, and a heavy-duty tube bulkhead. Additional standard equipment includes spare tire carrier, stake pockets, heavy-duty fenders, DOT-compliant lighting, pressure-treated wood decking, and a premium powder coat finish to protect your trailer for the long haul.

Options

Customize your car hauler trailer with options like aluminum wheels, a winch mounting plate, upgraded tie-down systems, and different decking materials. Build your H&H Car Hauler Trailer to match your specific vehicle, equipment, and hauling needs.
