Description

The CM Service Body is a top tier steel utility truck bed engineered for contractors, electricians, plumbers, HVAC techs, ranchers, and fleet operators who demand maximum storage, long term durability, and a clean, professional look. Built from galvalume steel with CM’s signature Black Lava non slip deck coating, this service body is designed to withstand daily commercial abuse while keeping your tools secure, organized, and protected from the elements.

With six integrated lockable toolboxes, chrome T handle compression latches, and treadbrite aluminum compartment tops, the CM Service Body delivers the perfect blend of strength, functionality, and job site efficiency. Gas shock door holders, weather sealed compartments, and LED lighting ensure dependable performance in every environment – from construction sites to farm operations.

Airport Trailer is proud to be Alabama’s trusted CM dealer, offering professional installation, brand direct expertise, and fast turnaround for work trucks across Selma, Montgomery, Prattville, Greenville, and surrounding areas.
