**Description**

The Big Tex 14EH is built for serious equipment hauling. Designed for customers who need a heavy duty equipment trailer for sale, this model delivers the strength, stability, and durability required for transporting skid steers, tractors, compact loaders, utility machines, and construction materials. With its 14,000 lb GVWR, rugged channel frame construction, and wide, stable deck, the 14EH stands out as one of Big Tex's most capable heavy duty equipment haulers.

This trailer is equipped with two 7,000 lb brake axles, giving you the stopping power and control needed for heavier loads. The reinforced channel tongue, durable treated wood deck, and heavy duty build are engineered for long term reliability on job sites and rough terrain. The upgraded mega ramps provide a wide, stable loading surface and make it easier to load larger equipment with confidence. With Big Tex's reputation for strength and Airport Trailer's clean, honest service, the 14EH is a dependable choice for contractors, landowners, and equipment operators who need a trailer that works as hard as they do.
