Description

Mahindra 2100 2126 HST

A PACT THAT DELIVERS ON EVERY PROMISE.

You have our word the Mahindra 2100 series will perform to your expectations and might even surprise you from time to time. It's the compact class's toughest, friendliest, and smartest tractor. First time operators smile at the intuitive and informative cockpit. Phone app lovers are pumped by its intelligent OJA software.

Features may include:

EFFORTLESS CONTROLS AT YOUR FINGERTIPS

Electronic PTO engagement for your mid and rear implements is ideal for those with arthritis and is designed to prevent accidental activation, improving operator safety.

UNMATCHED RIDE QUALITY

Try sitting on a tractor all day, and then you'll see why the 2100 comes with power steering standard and mComfort — the comfiest, form-fitting seat in its class. It offers outstanding support, featuring a superior form-fitting seat cushion and foldable armrests. Add a climatized cab for year-round comfort.

BEST-IN-CLASS LOADER TRACTOR

Our hydrostatic drive system (HST) eliminates gear shifting by safely engaging color-coded forward or reverse pedals. Combining HST with a super smooth joystick for loader-control makes fast and

ELECTRONIC 3-PT HITCH CONTROLS FOR CAB MODELS

For Cab models: While other brands use levers, we switched to electronic 3-point hitch controls to improve chore efficiency and overall productivity. Now, it's easy to adjust lift speed, draft, depth, auto-raise on turns, & more.
