Description

This 2026 Winston 7 ton 7 x 16 ft skid steer trailer is purpose-built for hauling skid steers, mini excavators, and other compact equipment. Spring-assist ramps make loading fast and safe, and the rough cut oak deck provides a durable, slip-resistant surface for tracked or wheeled equipment. The I-beam frame and steel construction with PPG paint stand up to daily job-site abuse, while self-adjusting brakes on both axles and radial tires provide dependable, low-maintenance towing. A tongue tool box adds job-site storage, and the adjustable pintle ring offers towing flexibility. With a 15,680 lb GVWR, this Winston skid steer trailer is priced at \$8,999.
