Description

The Pace American 6x12 Outback DLX Cargo Trailer is a dependable and versatile trailer built for everyday hauling, work, and recreational use. Featuring a sleek flat top sloped V-nose design and finished in durable .030 white aluminum, this trailer combines clean styling with long-lasting durability and improved aerodynamics.

Equipped with a 3,500 lb. idler axle, 205/75R15 radial tires, and black steel wheels, the Outback DLX delivers smooth towing performance and reliable stability on the road. The spacious 72” interior height and durable 3/4” flooring provide ample room and strength for hauling equipment, motorcycles, lawn equipment, or cargo.

Loading and unloading is made easy with the rear ramp door and upgraded 12” ramp extension, offering a smoother loading angle for low-clearance equipment. Additional features include a dependable 2K topwind jack for easy trailer setup and support. Built with practicality, durability, and value in mind, the Pace American Outback DLX 6x12 is ready to handle both work and recreation with confidence.
