Description

The 24’ 8” I-Beam Deckover Trailer is a heavy-duty equipment trailer built for hauling large machinery, vehicles, and oversized loads with confidence. Constructed on a rugged 8” I-beam frame, this trailer is designed to deliver exceptional strength, durability, and long-lasting performance for commercial, agricultural, and construction applications.

Equipped with tandem 7,000 lb. Dexter electric brake axles and a dependable spring suspension system, this trailer offers reliable towing stability and braking power under heavy loads. The adjustable 2-5/16” bumper pull coupler, rated at 14,000 lbs., allows for secure hookup and improved towing versatility.

This 24’ deckover features a 4’ dovetail with heavy-duty 4’ monster ramps, making loading and unloading equipment easier and more efficient. The spacious deck design provides ample room for tractors, skid steers, vehicles, pallets, and other large cargo. Finished in a durable black powder coat, the trailer offers enhanced corrosion resistance and a clean, professional appearance built to withstand tough working conditions.

Designed for durability and dependable performance, this 24’ deckover trailer is an excellent choice for contractors, farmers, landscapers, and anyone needing reliable heavy-duty hauling capability.
