Price: $6,195.00

Description

The Diamond C DSA107 Low Profile Equipment Tilt Trailer is a compact yet heavy-duty tilt trailer designed for hauling small equipment, skid steers, compact tractors, and utility machinery with ease. Measuring 77” x 12’, this low-profile trailer features a hydraulic dampening tilt system that provides smooth and controlled loading and unloading without the hassle of ramps, making it ideal for efficient everyday use.

Built with a durable 5” x 3” x 3/16” main frame and reinforced 12” crossmembers topped with a rugged 1/8” steel floor, the DSA107 is engineered for strength and long-lasting performance. A 7,000 lb. 4” drop axle with electric brakes delivers dependable towing stability and braking power, while ST235/80R16 tires provide reliable road performance and load support.

Additional features include rub rails with stake pockets for versatile tie-down options, durable 14-gauge bolt-on fenders, a swivel jack for easy hookup, and a spare tire mount for added convenience. Finished in metallic gray paint, the Diamond C DSA107 combines rugged durability, smooth operation, and professional styling in a compact equipment trailer package.
