Price: $14,150.00

Description

The Diamond C 24’ DEC207 Deck-Over Trailer is a durable and versatile heavy-duty trailer designed for equipment hauling, commercial use, and demanding workloads. Featuring a spacious 24’ x 102” deck-over design, this trailer provides ample room for transporting machinery, vehicles, pallets, and oversized cargo. Finished in premium Metallic Gray paint, the DEC207 combines rugged performance with a clean, professional appearance.

Constructed with a robust 8” x 10 lb. I-beam frame and reinforced with 3” I-beam crossmembers on 16” centers, this trailer is built for dependable strength and long-lasting durability. Tandem 7,000 lb. electric drum brake axles provide reliable stopping power, while the 6-leaf slipper roller spring suspension delivers stability and smooth towing performance under heavy loads. The trailer rides on heavy-duty ST235/80R16 14-ply radial tires mounted on black 8-hole wheels for dependable road performance and durability.

The trailer features a durable 2” treated wood floor along with a 60” self-cleaning dovetail and MAX ramps, allowing for efficient loading and unloading of equipment and machinery. A heavy-duty V-tongue storage lid offers secure storage space for tools and accessories, while the passenger-side tongue-mounted spare tire mount keeps the spare conveniently accessible.

Designed for maximum cargo securement versatility, the DEC207 includes a 3/8” rub rail with stake pockets and pipe spools, paired with a 5” x 2” rectangular tube lace rail system. Additional premium features include a heavy-duty 12K drop-leg jack, an integrated I-beam tongue, a durable 12” formed front bumper, and a 21K Demco EZ-Latch adjustable coupler for secure towing and easier hookup.

Equipped with all-LED lighting for enhanced visibility and safety, the Diamond C DEC207 Deck-Over Trailer is built to deliver dependable performance, durability, and professional-grade hauling capability for a wide range of applications.
