Description

2026 Diamond C 14' PSA106 Premium Single Axle Utility Trailer – Venture Series
Upgrade your hauling experience with this 2026 Diamond C PSA106 Venture Series utility trailer. Designed with premium features and rugged construction, this 14' x 83" single axle trailer is perfect for hauling UTVs, ATVs, lawn equipment, motorcycles, and other cargo with confidence.
Built on a durable 4" channel frame with 2" channel crossmembers, this trailer is equipped with a 6,000 lb axle featuring an electric brake for enhanced stopping power. The 48" bi-fold rear ramp gate makes loading simple, while four Rhino retractable ratchet straps provide secure tie-down points right where you need them. A lockable steel tongue box, retractable under-frame spare tire mount, and the Venture Package with a front mud shield and integrated LED work lights add convenience and functionality on every job.
Finished in eye-catching Carbon Metallic Gray with black aluminum wheels, this trailer delivers the premium style and quality Diamond C is known for.
Features include:
14' x 83" deck
6,000 lb straight axle with electric brake
Heavy-duty 4" channel frame with 2" channel crossmembers
2" adjustable 10K Demco EZ-Latch coupler
48" bi-fold rear ramp gate
2" treated wood floor
Four Rhino retractable ratchet straps
Four stake pockets for additional cargo securement
Expanded metal sides with 2-3/8" pipe top rail
Lockable steel tongue toolbox
Retractable under-frame cable winch spare tire mount
ST235/75R15 radial tires on black aluminum wheels
Front mud shield with integrated LED work lights (Venture Package)
Carbon Metallic Gray powder coat finish
Whether you're hauling equipment for work or toys for the weekend, the Diamond C PSA106 Venture Series offers premium features, exceptional durability, and innovative cargo management in a versatile single axle utility trailer.
