Description

The Pace American 7x16 Journey SE Cargo Trailer is a versatile and dependable trailer designed for both work and recreational hauling. Featuring a sleek flat top V-nose design and finished with durable .030 white screwless sides, this trailer delivers a clean, modern appearance with fewer exposed fasteners for a smoother exterior finish. The upgraded blackout trim package adds a bold custom look that stands out on the road.

Built with tandem 3,500 lb. drop axles equipped with electric brakes and a 7,000 lb. GVWR, this trailer offers reliable towing performance and improved loading height. The upgraded 6” extra interior height combined with reinforced 16” on-center wall posts provides additional cargo space and enhanced structural strength. A durable 3/4” high-performance floor is designed to withstand demanding daily use.

Loading and unloading is made easier with the rear ramp door featuring a 12” extension for a smoother loading angle, while the 32” side entry door provides convenient interior access. Bright LED lighting improves visibility and efficiency inside and outside the trailer. Additional upgrades include an extra grab handle on the ramp door for added convenience and an extra interior dome light for improved interior illumination. Combining durability, functionality, and premium styling, the Journey SE is ready for work, recreation, and everything in between.
