### Description

The Greenfield 20’ equipment trailer with a 10,000 lb GVWR is a solid, everyday work trailer built for folks who need something dependable without overcomplicating things. It’s got plenty of room for hauling tractors, skid steers, or other equipment, and that 20-foot deck gives you enough space to get the job done without feeling cramped. Built in Pennsylvania, Greenfield trailers are known for their quality and durability, so you know it’s made to hold up to real use out in the field or on the jobsite. It’s got a strong frame, easy loading setup, and pulls nice and steady behind the truck, whether you’re heading down the road or across the farm. It’s the kind of trailer you can rely on to do the work and keep showing up when you need it.
