Description

Diamond C 32' FMAX210 2.0 Pacesetter Edition – 25K Hydraulic Dovetail Gooseneck
Take on demanding equipment and commercial hauling with this Diamond C 32' FMAX210 2.0 Pacesetter Edition. Built around Diamond C's Engineered Beam frame, this heavy-duty gooseneck features a 25K GVWR package, tandem 10,000 lb axles, electric-over-hydraulic disc brakes, and a 12' fully automatic hydraulic dovetail.
The 12' hydraulic dovetail eliminates the hassle of traditional loading ramps and features steel runners with cleats for added traction when loading equipment. Whether you're moving skid steers, mini excavators, tractors, vehicles, or other machinery, the hydraulic tail provides a convenient loading solution for everyday use.
Underneath, the trailer features heavy-duty adjustable suspension, 3" I-beam crossmembers on 16" centers, and a sway-control pipe. Up front, the 30K Curt Cushion Coupler helps provide a premium towing connection, while dual 20K hydraulic jacks make hooking and unhooking a breeze.
As a Pacesetter Edition, this trailer is loaded with premium equipment, including onboard battery charging, solar maintenance charging, additional storage, upgraded lighting, and aluminum outer wheels.
Features include:

- 32' FMAX210 2.0 gooseneck
- Pacesetter Edition
- 25K GVWR package
- Diamond C Engineered Beam frame
- 3" I-beam crossmembers on 16" centers
