Description

Built for heavy-duty hauling and dependable performance, the Diamond C 22' HXD207 Max Width hydraulic-dampened tilt trailer combines rugged construction, user-friendly features, and premium components to move equipment safely and efficiently. The 18' hydraulic-dampened tilt bed with a 4' stationary deck and drive-over fender design makes loading and unloading tractors, skid steers, and other machinery fast and secure, while the robust 8" x 10 lb I-beam frame and 3" I-beam crossmembers on 16" centers deliver exceptional strength and durability.
