Description

The Pace American 6x10 Outback DLX Cargo Trailer is a compact yet durable trailer designed for reliable hauling and everyday versatility. Featuring a sleek flat top sloped V-nose design and finished in an attractive Composite Silver exterior, this trailer combines modern styling with practical performance. Built with a 3,500 lb. idler axle, 205/75R15 radial tires, and upgraded black aluminum wheels, it delivers smooth towing and a sharp appearance on the road.
Inside, the trailer offers a 72” interior height and a durable 3/4” floor built to handle a variety of cargo needs. The rear ramp door, paired with a high-performance ramp extension, provides easier loading and unloading of equipment, motorcycles, ATVs, or lawn equipment. A convenient side entry door adds quick access to the interior, while the 2K topwind jack offers dependable trailer support.
Additional premium upgrades include rear flare LED loading lights for enhanced visibility and 5,000 lb. D-ring tie-downs with steel backing plates to help secure cargo safely during transport. The Outback DLX is a dependable and stylish cargo trailer built for both work and recreational use.
