Description

The Pace American 5x8 Outback DLX Cargo Trailer is a compact and dependable trailer designed for both personal and light commercial hauling needs. Featuring a sleek flat top V-nose design and finished in durable Composite White, this trailer offers excellent aerodynamics and a clean, professional appearance. Built with a 3,500 lb. idler axle and 205/75R15 radial tires, it provides reliable towing performance and stability on the road.
The interior is equipped with durable 3/4” flooring and a rear ramp door for convenient loading and unloading of equipment, motorcycles, lawn equipment, or everyday cargo.
This trailer also includes several premium upgrades, including a 12” high-performance ramp extension for improved loading angles, aluminum wheels with black accents for enhanced style, D-ring tie-downs to help secure cargo safely, and upgraded 16” on-center wall posts for increased structural strength and durability. The Outback DLX 5x8 is a versatile and reliable cargo trailer built to handle work or recreation with ease.
