Description

The future is here with the all-new DT, a revolutionary dump trailer that redefines industry standards.
The redesigned DT is a powerful dump trailer with 5-Stage Front-Mount Telescopic Cylinder technology, handling heavy loads with ease. The front-positioned cylinder improves accessibility, while the 45° bed angle speeds up unloading. The next-gen PJ dump body features Monster Rails for 30% more strength, and the Demco EZ-Latch and Monster-Sized Toolbox offer added convenience. The 4' side version hauls up to 16.3 yd^3 of materials, built for performance and longevity.
