Description

This 2026 Liberty 83 in x 18 ft steel frame car hauler combines a 16 ft deck with a 2 ft dovetail for an easy loading transition. A powder-coated finish stands up to the elements, and a wood deck provides solid traction for vehicles or wheeled equipment. Removable diamond plate fenders offer durability with easy service access, and pull-out ramps make loading straightforward.
Dual 3,500 lb Dexter axles with electric brakes and 5-lug wheels handle stopping power for a fully loaded trailer, and a locking tongue toolbox keeps tie-downs organized and secure. A 7K tongue jack, sealed wiring harness, and 2 5/16-inch adjustable coupler round out a solid build, with LED lighting for safe towing after dark. With a 7,000 lb GVWR, this Liberty car hauler in Red is priced at $4,899.
