Description

The BEAST Equipment Trailer
The BEAST from CAM Superline® is the ultimate solution in heavy-duty equipment trailers, engineered for durability, strength, and all-day performance. Built on a robust I-Beam frame with torsion suspension, this flatbed trailer is designed to handle the toughest jobs with confidence.
Key Benefits
24" Wide Mesh -Covered Ramps – Easy Loading for all Equipment
Provides stable footing and traction for machinery, simplifying loading and unloading even in slick conditions.Torsion Axles with Oil Bath Hubs – Smooth Ride, Less Maintenance
Delivers a quieter, more stable towing experience with reduced upkeep compared to traditional axles.Adjustable Pintle Ring – Versatile Coupling
Allows flexible and secure attachment to a wide range of towing vehicles for seamless transport.I-Beam Frame and Tongue – Built to Handle Heavy Loads
Structural beams ensure exceptional strength and long-lasting durability in demanding applications.Self-Cleaning Beavertail – No More Ramp Buildup.
3' beavertail with open design sheds dirt and debris for consistent ramp performance.Full-Size Integrated Lockable Tool Box with Light – Secure Storage Day or Night.
Keeps tools protected and accessible with built-in LED lighting for convenience in low-light conditions.
Why Choose a New The BEAST Equipment Trailer?
Overview
When the job demands more from your equipment trailer, The BEAST rises to the challenge. Designed for professional contractors and haulers, this flatbed trailer combines uncompromising strength with practical features that maximize efficiency and uptime. Whether you're moving compact machines or full-size equipment, The BEAST delivers reliable performance and ease of use.Available Models
The BEAST is available in three sizes: 15' + 3', 17' + 3, and 19' + 3, with GVWR from 15,400 to 22,000 lbs. Each model features a deck width of 82' and supports impressive payload capacities ranging from 12,100 to 17,790 lbs.Standard Features
Every model includes pressure-treated pine decking, a sealed wiring harness, LED rubber-mounted lights, 12K drop leg jack, slip-resistant deck step, six 3/4" D-rings, ten stake pockets, four banjo eye tie-downs, and a 7-way SAE plug. The diamond plate fenders, the premium industrial-grade polymer finish, and a spare tire mount come standard, backed by a 3-year warranty for peace of mind.Options
Customize The BEAST with a heavy-duty gooseneck upgrade, 7-gauge steel fenders, solar charger with guard, full-width ramps, oak decking, pallet fork carrier, flip-up winch box with a 12K winch, and a hydraulic jack for fast, effortless setup on the job site.
