Description

JTTB-96x106 Aluminum Flat Bed
Model# Fits DRW Longbed

The Jutland All-aluminum Heavy-Duty Flatbed is constructed with high-strength aluminum alloy, making it lighter in weight and corrosion-resistant. This flatbed also comes with integrated stake pockets and rub rails, allowing for easy installation of side rails and tie-down points. Additionally, the Jutland flatbed is designed with a tread plate surface that provides excellent traction and prevents cargo from slipping during transit.

Versatility is key with the Jutland Heavy-Duty Flatbed. It can be customized to fit different truck models and sizes, making it an ideal solution for various applications. Whether you need to transport heavy machinery or construction materials, the Jutland flatbed can handle the job.

Investing in the Jutland All-aluminum Heavy-Duty Flatbed is a wise decision for those who value durability, functionality, and safety when it comes to heavy-duty hauling.

Price Excludes $300 dealer freight (from the mfg to our dealership, this bed is in stock at our dealership)
