Description

This is the rig for crews who show up early, stay late, and don’t cut corners. The UFORCE U10 XL Pro delivers serious muscle and six-seat capacity without skipping comfort or tech. A 998cc inline triple puts down 88 horsepower and tows over 2500 lbs. with ease. Need to haul and dump? It’s got a 1000-lb. capacity hydraulic cargo box. Want a little more on the ride in? It comes with push-button shifting, RideSync® tech, and a factory audio system—standard. This is strength with polish. Comfort with grit. And the kind of partner that shows up every day and gets the job done right.
