Description

Meet the second generation in Hillsboro Industries' steel truck beds. This model features sides with greasable hinges, slam latches and rubber bump stops for more convenient loading and towing.

Plus, this bed uses PPG epoxy primer and polyurethane paint so your truck continues to shine for years to come. You can drive a Hillsboro steel bed with confidence, knowing that it's backed by an industry-leading two-year warranty.

FEATURES:

LED Lights

Signal to your neighbors on the road using six stop, turn & tail lights, four backup lights and LED clearance and side-marker lights.

Epoxy Primer and Black Polyurethane Paint

1/8" steel treadplate floor

Headache Rack with 1 1/4" Square Tube Louvers

30K Gooseneck Ball Plate with Flush Mount Cover

5" Structural Channel Long Sills and 2 1/2" Crossmembers

Increases the strength and capacity of your bed.

Board holders across front and back

Sealed wiring harness

Avoid the dangers of wire damage using our automotive-grade wiring harness with plug-in connections.

Dual tag lights

Stay visible, no matter the angle or direction.

Inboard stake pockets

Secure loads quickly and easily.

Rear tailboard with 25K receiver hitch with 2 1/2" tube

Leverage best-in-class bumper-hitch towing.

6" fold-down sides w/ multiple tie locations

Option to put your sides up or down to accommodate your load.
