Description

Hillsboro Industries has over 3 billion miles of experience building aluminum truck beds. This 2000-series model is perfect for Ford, Ram or GM single and dual-wheel trucks. Our all-aluminum construction makes the bed lighter and more fuel-efficient while also enhancing its appearance without the need for paint. Built to be corrosion-resistant, Hillsboro truck beds are backed by an industry-leading three-year limited warranty.

FEATURES:

30K gooseneck ball plate with flush-mount cover

2 5/16" 30k ball included.

Heavy-duty extruded rubrail

Find a tie-down point on each side thanks to our extruded rubrail.

Extruded aluminum tie rail

Easily secure items in your truck bed using our extruded aluminum tie rail with stake pockets.

Adjustable-height headache rack

Modify your headache rack to better fit your truck.

Aluminum tube headache rack with LED lights

Durable and practical to protect your rear cab window.

3" steel channel long sills

Adjust these sills to a 34", 38", or 42" frame.

Treadbrite tailboard

Turn heads as you drive down the road with this stylish addition.

LED lights

Signal to your neighbors on the road using six stop, turn & tail lights, four backup lights and LED clearance and side-marker lights.

Dual tag lights

Show your license plate in the dark with Hillsboro dual tag lights. Automotive-grade harness:

Eliminate unwanted wiring issues with our sealed wiring harness and plug-in connections.

Fuel filler kit

Save time and access when you have access to our fuel filler kit.

Extruded floor

High-strength aluminum for loads of all weights and sizes.
