Description

The 14LP Heavy Duty Low Profile Dump Trailer is built to handle your toughest jobs, whether you're in construction or hauling large loads. It's designed for heavy-duty performance but also includes features like an ultra-low profile deck and side step to make loading, unloading, and transporting materials easier and more convenient.

Disclaimer:

Product images are shown for illustration purposes only. Actual products may vary in appearance, specifications, color, and features. Truck'n America reserves the right to change product images, specifications, pricing, and availability at any time without notice. Photos may depict optional equipment, upgrades, or accessories that are not included in the advertised base price.

Online pricing is listed for the product only and does not include freight, delivery charges, installation, tax, title, tags, registration, dealer fees, or other applicable fees. Final pricing may vary by location and is subject to change. Please contact your nearest Truck'n America location for complete and current pricing details.

All advertised payments are estimates for qualified buyers with approved credit and are subject to lender terms and approval. Interest rates, down payment requirements, and financing terms vary by individual and product. Not all buyers will qualify. See your sales representative for full financing details.

We strive to represent our products and pricing with 100% accuracy; however, errors may occur. Truck'n America is not responsible for typographical, pricing, or technical errors. Please visit or call your local store to confirm all product details, availability, and final pricing.
