Price: \$0.00

MSRP: \$99,997.00

Description

This 24' trailer found it's humble beginnings on stage at the Grand Ole Opry - ok, maybe not ON stage - but when the Opry called with the need for a new medical bay trailer because of expanding client experiences inside the Opry, we answered and delivered this custom medical trailer!

This model features mild 4 season capable water capacity on board with the fresh tank inside the trailer along with the water heater. Waste water currently drains through the tank to on site septic connection.

The rest is a take off our 24' Front Office Medical Trailer at \$115,000. The Opry had power on site, so costs were saved omitting the generator. More storage was key for medical supplies & gear so we left the optional sofa out.

Call 636-980-0402 today for more info and to order your custom office trailer!
