Price: $19,500.00

Description

NEW 2026 22' GT14K EBY GRAVITY TILT EQUIPMENT TRAILER
This new **2026 22' GT14K EBY gravity tilt equipment trailer** is built for serious hauling and long?term durability. With a **14,000 lb GVWR** and **7k Dexter torsion axles with electric brakes**, it delivers the strength and stability needed for transporting skid steers, tractors, compact equipment, and more. The combination of a **6' stationary deck** and **16' gravity tilt deck** provides smooth, efficient loading, while the **Stillwell hydraulic dampening cylinder** ensures controlled movement up and down.
The trailer features **82" between the fenders**, a **24.5" deck height**, and **extruded aluminum deck boards**, offering a lightweight yet exceptionally strong platform. EBY's signature construction shines through with **oversized extrusions**, **machine?shaped aluminum channel**, and **Huck fasteners** that enhance durability and longevity. Additional premium features include an **A?frame toolbox**, **nickel?plated over?center latch**, **3/16" formed aluminum fenders**, **16" aluminum wheels**, **ST235/80R16 load range E tires**, and a **16" steel spare assembly**.
For secure towing, it's equipped with a **2 5/16" Demco EZ latch coupler**, **3" aluminum rub?rail with stake pockets**, **six removable stake pocket D?rings**, a **12k side?crank drop?leg jack**, and bright **LED lighting** for visibility and safety.
This GT14K is a heavy?duty, lightweight, and highly versatile tilt trailer—perfect for contractors, landscapers, farmers, and equipment owners who demand reliability and ease of use. EBY's engineering delivers smooth loading, exceptional strength, and long?lasting performance.
