Description

This 2026 Homesteader 6 x 12 ft cargo trailer is a practical, no-nonsense choice for cargo, tools, or light equipment hauling. The spring-assist ramp door makes loading manageable, and leaf spring suspension paired with EZ lube hubs and radial tires on 15-inch wheels delivers a smooth, dependable tow. An ATP stone guard shields the front from road debris, while the V-nose front and one-piece roof help the trailer cut wind and shed water.
D-rings in the floor provide dependable tie-down points, and the side door gives you quick access without lowering the ramp. LED lighting keeps the trailer visible after dark. With 6 ft 6 in of interior height and a 2,990 lb GVWR, this Homesteader cargo trailer in Gray is priced at $4,799.
