Experience the thrill of the water with the 2026 Yamaha Jet Boat SX190—where performance, style, and reliability come together for unforgettable days on the lake. Powered by Yamaha's advanced marine engine technology, the SX190 delivers smooth acceleration, impressive fuel efficiency, and the kind of responsive handling that makes every ride exciting yet easy to control.

Designed with comfort and versatility in mind, this 19-foot jet boat features spacious seating, a sleek modern layout, and ample storage for all your gear. Whether you're cruising with family, towing water sports enthusiasts, or just relaxing under the sun, the SX190 offers a perfect balance of power and practicality. Its jet propulsion system also means no exposed propeller, making it a safer choice for swimmers and families.

Stop by and see the 2026 Yamaha SX190 in person at our dealership:
