FEATURES & SPECIFICATIONS
• Spacious operator platform with adjustable suspension delivers a smooth ride and reduces operator fatigue.
• Scag Registered heavy-duty cutter deck spindles with 1 1/8" hardened-steel shaft, cast-iron housing, and greaseable, tapered roller bearings provide reliable strength. Spindles are covered by a 3-year warranty.
• Strong, reliable Ogura PTO clutch engages and disengages the blades quickly and easily with an adjustable air gap for long life. Models with 37 hp or more feature a SoftStart Electric Clutch Controller.
• Powerful and efficient Kawasaki Registered and Briggs Vanguard Registered engines provide smooth, reliable power. EFI options deliver exceptional fuel efficiency and dependable performance.
• Heavy-duty canister air filter available on Briggs Vanguard and Kawasaki FX and FX EFI engines.
• Heavy-duty steel frame construction ensures a solid foundation for long life.
• Built-in tie-down points allow for quick and easy transport.
• Large drive tires provide surefooted traction: 20" tires on the 32" and 36" models; 24" tires on the 48", 52", and 61" models.
• Rugged dual hydraulic drive system delivers dependable power with 12 cc Hydro-Gear Registered pumps with cooling fans; 10 cc pumps on 32" and 36" V-Ride II Trademark.
• Productive ground speeds help get the job done fast: up to 10.5 mph on most models; up to 8.5 mph on 32" and 36" models.
• Large 8-gallon fuel tank (6.75-gallon fuel tank on the 36" and 5-gallon on the 32" models). All models feature a large, angled filler neck and fuel gauge for operator convenience.
• Flat-free (semi-pneumatic) front caster tires eliminate downtime and expense caused by flat tires.
• Tiger Eye Trademark Advanced Monitoring System keeps a constant, real-time "eye" on important system functions of the V-Ride II. (Specific functions vary by mower model and engine. Not available on 32" or 36" models.)
• The 32" and 36" Advantage Trademark and the 48", 52" and 61" Velocity Plus Trademark Cutter Decks provide an unmatched quality-of-cut and a wide, even discharge. Tri-Plate deck tops on 36"-61" models are nearly 1/2" thick.
• The V-Ride II is covered by a strong 2-year commercial or 3-year/500-hour non-commercial mower warranty.
