FEATURES & SPECIFICATIONS

• Quick-Fit? Steering control levers, the Operator Suspension System, and a spacious footplate reduce fatigue for comfortable operation.
• Double-tube mainframe makes the Cheetah II? tough, durable and dependable year after year.
• Extra-low center of gravity gives the Cheetah II surefooted stability on a wide variety of terrain.
• Fabricated, welded, and reinforced Velocity Plus? Cutter Deck is ultra-strong and truly commercial-grade. Tri-Plate deck top is nearly 1/2? thick.
• Engine options include Kawasaki Registered FX EFI or Briggs Vanguard Registered EFI.
• Dual tanks provide up to a 13-gallon fuel capacity to keep you mowing for hours, ensuring better productivity.
• Heavy-duty Ogura GT5 (350 ft lb) clutch; adjustable air gap for long service life.
• Adjustable, three-position steering lever-dampener mounting lets you customize the feel and responsiveness of the controls for easier operation.
• Convenient cup holder keeps beverage within reach.
• Foot-operated parking brake allows the operator to apply the brake without removing hands from the steering controls.
• Dual, integrated Hydro-Gear Registered transaxles give you responsive, dependable power; a cooling fan on each unit keeps operating temperatures low.
• Large-capacity hydraulic system increases component efficiency and extends system life. ? Extra-large drive tires provide dependable traction and a smooth ride.
• 6"-wide, flat-free front caster tires have tapered roller bearings in the axles and pivots for long life; lip seals keep grease in and dirt out.
• Tiger Eye? Advanced Monitoring System keeps a constant, real-time ?eye" on important system functions of the Cheetah II. (Specific functions vary by mower model and engine.)
• Integrated tie-down locations make securing the Cheetah II on a trailer simple.
• 2-year commercial or 3-year/500-hour non-commercial mower warranty. See the Scag Registered Limited Warranty Statement for complete details.
