FEATURES & SPECIFICATIONS
• 52" or 61" cutter deck with anti-scalp rollers provides a beautiful quality-of-cut.

• Hero? cutter deck features sealed aluminum spindles with ball bearings that deliver maintenance-free, high-performance operation; 1/2" thick mounting flange.
• Torsion-spring suspension seat is easily adjustable and delivers a high level of operator comfort.
• Low-maintenance mower design reduces grease points for operator convenience.
• 6.5-gallon total fuel capacity maximizes refueling intervals to save time and get the job done fast. Large, angled fuel neck for easy filling.
• Cup holder and storage tray built into the fuel tank for operator convenience.
• Innovative height-of-cut adjustment is quick and conveniently adjusts from 1.5" to 5" in 1/4? increments.
• Self-adjusting belt systems keep belts in constant, proper adjustment for long life.
• Commercial-grade, powder coat paint for an attractive, professional finish and increased durability.
• Digital hour meter features preprogrammed maintenance reminders.
• Highly flexible discharge chute will not dent and is easy on the landscape.
• Low-profile, foldable Roll-Over Protection System (ROPS).
• Hydro-Gear Registered ZT-3100Registered (SPZ52) or ZT-3400Registered (SPZ61) hydro transaxles (2 independent units with charge pumps and all-metal gears) deliver smooth drive power while spin-on oil filters provide easy maintenance.
• Extra-low center of gravity for maximum stability over challenging terrain.
• Ground speeds up to 10 mph (SPZ61) or 8.5 mph (SPZ52) for maximum productivity.
• Large front caster tires and extra-large 22" (SPZ52) or 24" (SPZ61) drive tires for solid traction and a smooth ride.
• Foot-operated parking brake activates a disc brake system; Ausco disc brakes for reliable performance.
• Rubber iso-mounted footplate for increased operator comfort.
• 2-year commercial or 3-year/500-hour non-commercial mower warranty. See the Scag Registered Limited Warranty Statement for complete details.
