FEATURES & SPECIFICATIONS
FRONT SWIVEL CASTER WHEELS - TURN ON A DIME: Front swivel caster wheels ensure ease of maneuverability in highly landscaped areas.

STEEL CUTTER DECK - HEAVY-DUTY FOR LONGEVITY: Strong stamped 14-gauge steel deck shell with 14-gauge steel reinforcement plate plus side wear-guards for extra protection.
STEEL FRAME - SUPER STRONG FOUNDATION: Extra-strong, fully fabricated steel frame (not cast aluminum).
HEIGHT-OF-CUT ADJUSTMENT - SUPER SIMPLE RAISE AND LOWER: Single lever height-of-cut adjustment. Refine your height settings with adjustments from 1.5” to 5” in .5” increments.
DRIVE SYSTEM / OFFSET BLADES - SIMPLIFIED DECK-DRIVE SYSTEM: Less complex and easier to maintain than traditional timed deck setups, an offset blade setup can reduce belt replacement time by up to half compared to timed deck systems.
QUALITY-OF-CUT - POWER THROUGH IT ALL: The large cutting chamber helps process more grass while being able to eat through wet and lush spring time grasses more efficiently. Cutter deck discharge opening is oversized for its class.
OPERATOR CONTROL PANEL - EASY TO REACH IT ALL: Ultra-comfortable, highly ergonomic control system makes operation easy hour after hour.
OVERSIZED ADJUSTABLE CONTROLS - TAILOR TO YOUR NEEDS: Oversized handles feature internally routed cables to protect from potential snags. Handle features tool-free adjustment up and down into 5 positions so it’s easy to find your sweet spot.
3-IN-1 VERSATILITY - DISCHARGE, MULCH OR BAG: Handle cut grass the way you want, whether it’s side-discharging, mulching or bagging. All options come as standard equipment, allowing the operator to change on the fly as needed. Discharge: discharge chute – Mulch: deck plug and mulch plate – Bag: bagging baffle, mulch plate and fabric bag.
ENGINE COMBO - PLENTY OF POWER: Dependable and efficient Kohler Command Pro CV224 engine provides exceptional performance. Proven maintenance-free GT MV 702 transmission delivers dependable drive power.
