Description

Hillsboro’s 2500 Series Aluminum Truck Bed builds upon the success of our original design to allow for even smoother loading, unloading and transporting. This flatbed showcases industry-leading features like our heavy-duty aluminum floor so it can work as hard as you. Built to be corrosion-resistant, Hillsboro truck beds are also backed by a three-year warranty. Plus, Hillsboro

is the only manufacturer to test its aluminum truck beds to SAE towing standards.

Features

30K gooseneck ball plate with flush-mount cover

2 5/16" 30k ball included.

3" Aluminum I-beam crossmembers

With approximate 16" spacing.

Aluminum extruded floor

Do your worst to your bed because this high-strength aluminum extruded floor is built to last.

Heavy-duty 6"-tall extruded rubrail

Prevent unnecessary road damage on your trailer.

Adjustable-height headache rack with square tube louvers

Modify your rack to better protect cab passengers.

Extruded tie rail

Easily secure items in your truck bed using our 3" extruded aluminum tie rail with stake pockets.

4" x 2" tube steel long stills

Adjust these stills to a 34", 38" or 42" frame.

Treadbrite tailboard

Turn heads as you drive down the road with this stylish addition.

LED lights

Signal to your neighbors on the road using six stop, turn & tail lights, four backup lights and LED clearance and side-marker lights.

Sealed wiring harness

Avoid the dangers of wire damage using our installed harness with plug-in connections.

Tapered rear with step

Receive better clearance for towing and easier access to your bed.

Tapered front on 96" wide dual-wheel beds

Lead with a more aerodynamic and attractive front.
