### Features

#### Upgraded 7' Interior Height

: Extra vertical space for taller equipment and easier maneuverability.

#### Blackout Package

: All-black trim and accents for a bold, professional appearance.

#### Premium .080 Polycor Exterior

: A thicker, more durable skin that offers a smoother finish and better dent resistance.

#### One-Piece Aluminum Roof

: Eliminates seams to provide superior protection against leaks and moisture.

#### Rear Spoiler with Lights

: Enhanced visibility and a modern, aerodynamic look for safer towing.

Your cargo is an investment, and hauling it shouldn't be a source of stress. The 7x14TA Blackout removes the worry of structural failure or weather damage, giving you the confidence to hit the road in any conditions. Its heavy-duty tube steel frame and reinforced plywood interior are built to handle the rigors of daily use, while the V-nose design ensures smoother towing and better fuel efficiency. Don't settle for a basic hauler when you can have a professional-grade powerhouse. Order your custom enclosed trailer from Georgia Pro Customs today!
