### **Features**

**Premium .080 Polycor Exterior**

: A high-tech composite skin that eliminates "oil canning" for a perfectly flat, mirror-like finish.

**Full Blackout Package**

: Aggressive styling with black trim, hardware, and Star Mag wheels for a standout look.

**Complete Interior Finish**

: Bright white walls and ceiling paired with durable Rubber Tread Plate (RTP) flooring.

**Professional Storage**

: Factory-installed upper and base cabinets to keep your tools and gear organized and secure.

**50 AMP Electrical Package**

: Dedicated power for your chargers, lights, and equipment throughout the race weekend.

**12v Electric Tongue Jack**

: Includes a battery for effortless coupling, saving your physical energy for the driver's seat.

If you are hauling a high-performance vehicle or valuable equipment, this enclosed trailer provides the peace of mind that comes with superior Georgia craftsmanship. The .080 Polycor skin doesn't just look better; it's more resilient against temperature changes, ensuring your brand looks professional year after year. Inside, the workspace is optimized for efficiency, allowing you to perform quick repairs or adjustments in a clean, well-lit environment. We understand that in racing, every second counts-which is why every inch of this trailer is built to support your victory. Secure this elite cargo trailer from Georgia Pro Customs today and lead the pack!
