Description

Mahindra 5100 Series 5155 4WD
AS VERSATILE AS IT GETS.

Wondering if there's a tractor that fits your specific needs? Don't worry; Mahindra's got you covered with the 5100 series. These tough-as-nails utility tractors offer professional-grade power and added customization so you can streamline your workload, regardless of the job. These versatile workhorses are ideally suited to a wide range of applications, from larger agriculture operations and

grounds maintenance to industrial and construction sites. Available from 45 to 55 HP, there is a 5100 series model to fit your usage needs.

A JACK OF ALL TRADES.

We envisioned the Mahindra 5100 Series to be versatile. Both come with front & rear hydraulics, built-in CAT 1 and CAT2 connectors for attaching to dozens of 3-point implements, and have front and rear clevis hitches for pushing or pulling attachments.
