Description

Protect your trailer with this 2025 trailer hitch security lock set featuring a black U-shaped universal ball hitch lock (#72783), 1/2-inch and 5/8-inch receiver hitch pin locks, and a trailer coupler locking pin. Designed for convenience, all locks are keyed alike and operate with the same two keys. Ideal for utility trailers, enclosed trailers, dump trailers, equipment trailers, boat trailers, and car haulers, this complete security kit helps deter theft and provides peace of mind whether your trailer is parked or in storage.
