<https://www.customway.com/unit/b-w-20k-companion-slider-5th-wheel-hitch-accessories-1103406>

Price: \$1,599.00

Description

The built-in slider on this sturdy 5th-wheel hitch helps eliminate clearance concerns. Dual jaws offer excellent jaw-to-king-pin contact. Hitch removes easily for full bed access. Installs in your B&W gooseneck hitch.

Features:

5th-Wheel hitch mounts in your truck bed so you can tow your 5th-wheel trailer

Built-in slider provides clearance required for your short-bed pickup to turn safely at slow speeds

Rail-free design allows for full access to truck bed when hitch is removed

1" Thick dual jaws provide 360-degree jaw-to-king-pin contact

Less rattle and more security than slide-bar jaws
Cam-action latching handle helps prevent binding
Simple to release, even on unlevel terrain
Lockable to secure trailer to hitch - padlock sold separately
Fully articulating head eases hookup and helps to limit chucking
Pivots front-to-back and side-to-side
3 Height settings to fit your application
Quiet, rattle-free ride with polyurethane bushings
2-Piece design for simple setup and removal
Hitch base with slider installs in truck bed
Hitch head secures to base
Gray powder coated steel is corrosion resistant
Custom B&W under bed mounting kit (sold separately) required for installation
Made in the USA
