Description

Shop this 2025 NTI 12-inch brake hub assembly featuring a 6 on 5.5-inch bolt pattern, durable 1/2-inch wheel studs, and a 6,000 lb capacity. Packaged in a retail box for convenient installation, this heavy-duty brake hub assembly is engineered for reliable braking performance, smooth towing, and long-lasting durability. Ideal for utility trailers, enclosed trailers, equipment trailers, dump trailers, livestock trailers, and car haulers, it's the perfect replacement for trailer maintenance, axle repairs, and brake system upgrades.
