The Sure-Trac ST82164TBE-B-140 is a 14,000-lb GVWR tilt-bed equipment trailer designed for safe, efficient loading of heavy machinery. It features a 16' gravity tilt deck with a 4' stationary front section, providing full-width, tapered, easy ramp-free loading. The tilt action is controlled by a hydraulic dampening cylinder, allowing smooth, controlled movement.

Built on a nested frame with HD slipper-spring axles, 4" drop axles, and 2x6 pressure-treated decking, it offers rugged durability and a low deck height for improved loading angles. Standard equipment includes LED lighting, adjustable 2-5/16" coupler, 12K setback drop-leg jack, stake pockets and rub rail, D-rings, and a spare tire carrier.
