2026 Triple Crown SD 16K Telescopic Dump Trailer with 4’ Sides
Built for serious hauling and demanding workloads, this 2026 Triple Crown SD 16K Telescopic Dump Trailer is designed to handle heavy materials with strength and reliability. Ideal for construction, landscaping, farm use, demolition, gravel, dirt, debris, and equipment transport, this dump trailer is ready to tackle tough jobs day after day.
Featuring a powerful telescopic hoist system, tandem heavy-duty brake axles, and durable steel construction, this trailer delivers dependable dumping performance and increased load capacity. The 4’ high sides provide additional cargo volume, making it a great choice for hauling bulk materials and oversized loads.
Additional features may include a seamless steel floor, electric brakes, LED lighting, stake pockets, tarp kit, slide-in ramps, heavy-duty jack, radial tires, and a powder-coated finish for long-lasting durability and corrosion resistance.
Whether you’re working on the job site, farm, or property, this Triple Crown telescopic dump trailer is built to perform under demanding conditions.
Features may include:
• 16,000 lb GVWR
• Tandem heavy-duty brake axles
• Telescopic hydraulic hoist system
• 4’ high steel sides
• Heavy-duty steel frame construction
• Seamless steel dump bed floor
• Electric brakes
• LED lighting package
• Stake pockets
• Slide-in loading ramps
• Tarp kit and battery system
• Radial tires
• Powder-coated finish
• 2-5/16” adjustable coupler
