2026 Triple Crown SD 14K Telescopic Dump Trailer with 4’ Sides
The 2026 Triple Crown SD 14K Telescopic Dump Trailer is built to handle demanding hauling and dumping applications with strength, durability, and dependable performance. Ideal for construction, landscaping, farm work, demolition, gravel, dirt, mulch, and debris hauling, this trailer is designed to take on tough jobs with ease.
Equipped with a powerful telescopic hydraulic hoist system, tandem heavy-duty brake axles, and rugged steel construction, this dump trailer delivers smooth lifting power and reliable operation under heavy loads. The 4’ high steel sides provide increased cargo capacity, making it an excellent choice for hauling bulk materials and oversized loads.
Additional features may include a seamless steel floor, electric brakes, LED lighting, stake pockets, tarp kit, slide-in ramps, heavy-duty jack, radial tires, and a durable powder-coated finish for long-lasting protection against the elements.
Whether on the job site, farm, or property, this Triple Crown telescopic dump trailer is built to work hard and haul with confidence.
Features may include:
• 14,000 lb GVWR
• Tandem heavy-duty brake axles
• Telescopic hydraulic hoist system
• 4’ high steel sides
• Heavy-duty steel frame construction
• Seamless steel dump bed floor
• Electric brakes
• LED lighting package
• Stake pockets
• Slide-in loading ramps
• Tarp kit and battery system
• Radial tires
• Powder-coated finish
• 2-5/16” adjustable coupler
